

Environmental Policy Statement

West Liberty Foods, L.L.C. is committed to preserving natural resources, protection of our shared waters, and to community involvement.

West Liberty Foods, L.L.C. environmental operations shall be conducted in compliance with applicable environmental laws and regulations and we shall aim to achieve these goals by:

Striving to continuously improve our systems and procedures related to environmental protection and pollution prevention activities by implementing management systems and procedures.

Continuing to improve by reviewing our objectives, targets, and goals.

Communicating our commitment to environmental quality to our employees, vendors, and our customers.

Furthermore, this EMS policy is made available to the public.

Brandon Achen, President & CEO

Allen Hansen, Vice President of Finance & CFO

John Rempel, Vice President of Operations
